Pokémon TCG: Towering Splash-GX Box

Releasing January 4th

Big Pokémon and little Pokémon both bring their own style—and working together, they can make a huge splash! Magikarp and Wailord pair up as a TAG TEAM in the Pokémon TCG: Towering Splash-GX Box, pooling together in the form of a foil promo card and an oversize foil card. Boasting a staggering 300 HP—the biggest HP total in the Pokémon TCG to date—Magikarp & Wailord-GX harness the finesse of flop and the power of sheer mass to unleash a Towering Splash-GX attack that can wash away your opponents!
