Time Breaker

Releasing February 28th

It's a chase across time to catch a chrono-criminal!

The Time Breaker is running amok in time, jumping from one tile to another, each representing a different year. In this fast-paced card game, you must carefully navigate the time-stream to find and arrest the Time Breaker. Then, return with them to Time Repair HQ before your opponents catch up or the Time Breaker slips away. Good luck, Agents!
