Yu-Gi-Oh TCG Savage Strike Special Edition

Releasing March 7th

Heat things up this winter with Savage Strike, the first 100-card booster set of 2019! Cybernetic Horizon revitalized Ritual Summoning, and Soul Fusion created powerful Fusion Summoning strategies. Now, Savage Strike is primed to do the same for Synchro Summoning strategies!

Munchkin Warhammer 40000

Releasing March 6th

Munchkin and Warhammer 40,000 – two great games that work great together! Become an Ultramarine, Necron, Aeldari, Ork, Death Guard, or Tyranid. Make a Pilgrimage to Holy Terra, use your Lasblaster, and of course you need More Dakka! Be vigilant; you might encounter the Sloppity Bilepiper, a Horror of Tzeentch, or even Mortarion himself!

My First Castle Panic

In My First Castle Panic, a group of monsters is racing out of the woods and coming right at your Castle! Players need to catch all the monsters before they smash the Castle flat. Send out your brave defenders to match the color and shape of the space where a monster is to catch it. But watch out! The monsters move closer to the Castle every turn, and more monsters keep coming!
